# GREETINGS ABOUT US

---

THE  
WASHINGTON  
HOME

A Charitable Foundation

## Our History

Since 1888, The Washington Home (TWH) has been supporting the most vulnerable in the Washington community.

Until recently, TWH provided long-term care to residents of its nursing home facility in upper Northwest Washington, D.C. and hospice care to patients in their own homes, and through the in-patient hospice wing of the nursing home.

In 2020, the TWH Board of Directors repositioned the organization to fund entities that improve the quality of life for older adults and/or terminally ill residents in the Washington, D.C. metropolitan area.

# Our Commitment

## Mission

Our mission is to fund entities that create and deliver **innovative**, **compassionate** and **well-managed programs** to improve the quality of life for older adults and/or terminally ill residents in the Washington, D.C. metropolitan area.

## Investment

Over the past four years (July 2020 - June 2024) The Washington Home has **provided over \$19M in funding** to local Washington, D.C. organizations that provide care and services supporting the TWH's mission.

## Giving By Category

Since becoming a foundation four years ago, The Washington Home has granted over \$19M to support the D.C. older adult community.

## AREAS OF FOCUS

# Funding Priorities

We invest in local, community efforts to address social isolation, caregiver relief, food insecurity, and specialized health care for older adults and the critically ill.

- Critically Ill – Caregiver Relief & Hospice
- Critically Ill – Healthcare/Workforce
- Food Insecurity
- Social Isolation
- Impact Giving – Sponsorships

## AREAS OF FOCUS

# Funding Priorities

## 1. Older Adults Healthcare Access:

- a) Healthcare Workforce Pipeline- Builds workforce pipelines that integrate recruitment, mentoring, training certifications, education, and employment cultivation to increase the number of healthcare professionals working in DC to improve access to care and health outcomes for older adults.
- b) Caregiver Relief- Improves the quality of life of both the caregiver and care recipient investing in programs that increase the number of home health aides and/or certified nursing assistants available, offers training and education for professional caregivers, provides caregiver assistance, and/or supports older adult health and wellness and day centers.
- c) Critically Ill- Improve access and quality of care for the critically ill and those at the end of life.

2. **Food Insecurity:** Improves health outcomes and access to healthy foods for older adults through Food is Medicine strategies that increase access to medically tailored meals, home meal delivery, choice food markets, community meals, and/or produce prescriptions programs.

3. **Social Isolation:** Reduces social isolation among older adults through virtual and in-person programs and services for the arts, support groups, behavioral health interventions, social-emotional supports, physical activities, and/or technology.

4. **Sponsorships and Memberships:** Requests that help nurture the stability and expansion of programs for older adults supporting sponsorships and memberships for eligible organizations.

# Critically Ill

To alleviate caregiver and staffing stressors, we invested nearly **\$3M — \$1.2M** for caregiver relief and **\$ 1.7M** for healthcare initiatives — to positively impact **1,000+** Washington, D.C. residents through day programs, respite care, the re-activation of a long-term care coalition to address barriers for healthcare workers, and fellowships and scholarships to address the shortfall of geriatric-focused nurses and medical providers

## Building Partner Networks

We partnered with these D.C. nonprofits to deliver community healthcare support:

### Critically Ill Healthcare

- Advance DirectiveMD
- Christ House
- Home Care Partners, Inc.
- MedStar Washington Hospital Center
- Sibley Memorial Hospital Foundation
- The George Washington University
- Unity Health Care, Inc.
- Whitman-Walker Foundation

### Critically Ill Caregiver Relief

- Brookland Senior Day Care Center
- Capital Caring Health
- IONA Senior Services (IONA)
- Joseph's House
- The Genevieve N. Johnson Senior Day Care Center

# Food Insecurity

To facilitate innovative solutions for access to healthy foods, we invested nearly **\$1M** — \$445K for healthy food access, **\$200K** for home meal delivery, and **\$350K** for community meals — to increase coverage to serve **32,000+** older adults in need of nourishing food. To drive strategic decisions, interventions, and understand impact, The Washington Home sponsored the Capital Area Food Bank’s inaugural Senior Food Security Summit in May. The summit brought together our community partners to review the Senior Food Security Heat Map to analyze community need and resources, and collaborate on future strategies to improve food security for older adults

## Building Partner Networks

We partnered with these D.C. nonprofits to deliver healthy food access:

### Healthy Food Access

- Bread for the City
- Capital Area Food Bank
- Goods For Good
- Martha’s Table
- Mary’s Center
- Sasha Bruce Youthwork, Inc.

### Home Meal Delivery

- DC Central Kitchen
- Food & Friends

### On-Site Congregant Meals

- Miriam’s Kitchen
- Thrive DC
- Seabury Resources for Aging

# Social Isolation

The physical, emotional, and mental health of older adults are directly impacted by social connections. We invested nearly **\$1.1M — \$260K** for grief and wellness support, and **\$836K** for isolation prevention to connect nearly **19,000** older adults within the community

## Building Partner Networks

We partnered with these D.C. nonprofits to deliver social isolation prevention programs and services:

### Grief & Wellness Support

- HelpAge USA, Inc.
- Holistic Horsemanship Services
- Wendt Center for Loss and Healing

### Isolation Prevention

- East River Family Strengthening Collaborative, Inc.
- Howard University — Hayes Senior Wellness Center
- Mary's Center
- Northwest Neighbors Village
- Plants and Blooms Reimagined
- So Others Might Eat (SOME), Inc.
- The Wilderness Technology Alliance

COMMUNITY UPDATES

# Sponsorship & Membership

Beyond program and service support, there are valuable community-connection opportunities for network development, research, and raising additional funds to deepen impact. We invested **\$148K** to provide sponsorship and support for Washington, D.C. nonprofits

## Building Partner Networks:

We supported local organizations' efforts to establish networks for long-term change supporting vital community-connector events, convenings, and research.

We support **Philanthropy DMV's (PDMV)** regional history report that provides insights into the life-expectancy disparities across the region to address urgent needs more effectively. We also support PDMV's Healthy Communities Working Group.

We support **Food & Friends'** community outreach initiatives to offer their Food As Medicine program that locally delivers medically tailored meals for critically ill and older adults, as well as programs that provide nutritional counseling.

## AREAS OF FOCUS

# TWH Innovative Projects

1. Seabury- Music & Cruising Tour
2. Capital Area Food Bank- Senior Hunger Survey
3. Genevieve N. Johnson- Music Memory Cafe

Music & Cruisin was created to provide another safe form of social interaction for our Seniors and is a favorite activity with our Seniors. They have a chance to tour attractions in Washington DC while listening to their favorite genre of music.

Supported by the D.C. Department of Aging and Community Living

## Creating a Collaborative Proposal

# Grant Portal: Foundant Overview

## Tips for a Collaborative Proposal

1. Establish clear communication channels
2. Create a MOU to submit with the application identifying clear expectations and processes particularly around funding
3. Assign specific roles to each organization/team member (application submitter, TWH grantee, etc.)
4. Hold regular check-ins to align with proposal & grant agreement timelines
5. Sign-up for the Mandatory Grantee Meeting with both organizations
6. Ensure all parties are in alignment with proposal
  - o Outline a concept for the proposal
  - o Identify each organization's role (submit application, grant POC, follow-up forms, reports, etc.)
  - o Agree on the problem, goals, impact, milestones, and budget

## Section 2: Project Goals

### Helpful Tips

- Impact is more than a number that can be measured.
- What is the overall change you anticipate seeing because of this programming and investment?
- When the grant is completed, how will you know your work has been successful?
- Your goals are how you will measure for success and impact.

Goals

All goals should be SMART: (S) specific; (M) measurable; (A) attainable; (R) relevant; (T) time-based.

In each Goal area, please list the number (#) and percentage (%) to be served including the overall impact. Impact is the overarching result of the service/intervention provided. Please include the number served along the percentage, see examples below.

Example #1:

Goal- #85/100 (85%) of Royal Village residents enrolled in the free dinner meals program will report an increase in access to dinner meals 7 days a week.

Goal- Royal Village Food Service will note a #50/ 100 (50%) reduction in the number of residents who miss dinner meals due to inability to pay because of the free dinner program.

Example #2:

Goal-To prevent caregiver burnout, #75/100 (75%) of caregivers will participate in 10 coping skills sessions to increase their understanding of older care and needs.

Goal- Caring Hearts organization will report a #60/100 (60%) reduction in the number of caregivers who report feeling burnout because of the Caregiver Burnout Prevention program.

## Section 3: Budget & Sustainability

**Sustainability**  
Sustainability means that a program/project has the necessary support in place to ensure that it will be able to continue to accomplish its goals beyond the grant award. Prospective grantees are encouraged to think about the short and long-term goals of a project/program and identify different strategies to keep the program functioning to accomplish its goals. There are different ways that a program/project can show sustainability. Some examples include leveraged funds, collaborating with another organization doing the similar work, developing greater capacity for reimbursement, leveraging other donors and/or creating a fee for service model. Sustainability is more than grant diversification.

\*Leveraged Funds\* can include aligned grant funding, in-kind partnerships, bond bills, or match funding to support the program that TWH may invest. Leveraged Funds should be listed out in the Budget Template with your submitted application.

**C1. Sustainability Plan- select all that apply.\***

- Aligned Grant Funding
- Billable Reimbursements
- Bond Bills
- Fee for Service Model
- In-Kind Partnerships
- Matching Funding (from other donors)

**C2. Describe the plan to scale and sustain the program/project beyond this grant.\***

Sustainability is diversification beyond additional grants.

750 characters left of 750

**C3. What will happen to the program/project, if you do not secure the full amount of funding needed?\***

Be as specific as possible.

# THE RFP Budget

## Section 3: Budget Tips

The foundation makes grants that:

- ✓ Start or grow well-conceived programs/organizations;
- ✓ Offer innovative solutions to improve the quality, accessibility and/or delivery of older adults and critical illnesses in Washington, D.C.;
- ✓ Replicate and scale successful programs and services from our own or other jurisdictions;
- ✓ Build organizational capacity to enhance sustainability and/or improve service delivery (e.g., commitment to diversity, equity, and inclusion); and
- ✓ Leverage resources, whether human or financial (e.g., revenue, partnerships, matching, or aligned funds).

The foundation does not:

- x Give to endowment funds;
- x Fund lobbying or political activities;
- x Make grants to individuals;
- x Fund programs that provide gift cards;
- x Provide funds to private foundations unless for a particular grant purpose;
- x Replace government funding; or
- x Fund religious activities, although secular health programs provided by a religious institution, or its affiliate(s) may qualify.

# THE RFP Budget

## Budget Tips

- Fill in the budget template based on the entire program/project costs (funding and expenses).
- Provide an explanation of the costs in each budget category. The descriptions in the narrative must match the items in the budget chart
- Describe which budget items will be covered by the grant or matching funds (e.g., cost-share or in-kind).
- Provide estimates and supporting justification of each proposed line item in the budget and describe programmatic relevance.
  - For example: “Personnel – Caregiver Support-Group Facilitator, \$840 (\$35/hr x 1hr per week x 24 weeks)”

## Section 3: Budget Narrative

### Budget Narrative Instructions:

TWH is committed to working towards supporting livable wages in the District of Columbia through our grant investments. To learn more about what is considered a livable wage, please visit ALICE: Asset Limited, Income Constrained, Employed- District of Columbia United Way NCA 2023 ALICE Reports.

Demonstrate where in your organizational budget the TWH grant is being applied. Please align the budget request with the grant goals. For example, if you are advancing integration of health and wellness for older adults, the TWH funds might support staff training, virtual programs or outreach and education. The Project Budget Narrative must describe and justify the cost assumptions for \* marked line items in the Budget spreadsheet. It should only include the funds requested from TWH not the total project budget. In the budget narrative section, address each of the applicable letters below.

A. Salaries & Wages- List personnel costs, excluding fringe benefits, for each requested staff position. Indicate whether the position is full-time or part-time and the staff's base salary.

B. Employee Benefits and Taxes- List benefit costs and taxes related to personnel involved with the project.

C. Consultant and Professional Fees- List amounts paid to individuals or company and specify what services they rendered. Explain whether the payment(s) is based on an agreed total amount or agreed per diem rate including travel and other related expenses. Include fees paid to outside attorneys, accountants, or auditors. Include descriptions of the work to be performed, and rates.

D. Travel- Include transportation costs directly related to the major activities of the project. Include expenses for all modes of transportation, transportation vouchers, meals, automobile expenses, mileage reimbursement, and per diem payments.

E. Programmatic Expenses, Equipment & Maintenance- 1) List any equipment purchased for use in the project. Include cost, depreciation and maintenance expense for the equipment. 2) List Programmatic Expenses: food costs, program supplies, emergency lodging expenses.

F. In Kind Revenue/Expense- Explain what consists of in-kind revenue or expense if you have any.

G. Sub-grants to other organizations (Partners/Collaborations)- Identify funds that will be used to make grants to other nonprofit organization partners in furtherance of the project. Include descriptions of the work to be conducted by the sub-grantees and names of the organizations.

H. Cost Per Unit- List the estimated "cost per unit" of intervention (i.e., how many of what and to whom, per cost of service delivered)?

I. Other- Specify other expense amount if it is over \$100.

# Budget & Sustainability

- ALICE: Represents earnings more than the Federal Poverty Level, but not enough to afford the basics where they live.
- Traditional economic measures underestimate the actual cost of basics. To better capture the reality of household costs in the District of Columbia, United For ALICE provides budgets that are tailored by county and household type.
  - These budgets include housing, childcare, food, transportation, health care, and technology (smartphone plan), plus taxes and a 10% miscellaneous category.
- The ALICE Household Survival Budget: The Household Survival Budget reflects the minimum cost to live and work in the modern economy.

TWH is committed to working towards supporting livable wages in the District of Columbia through our grant investments.

To learn more about what is considered a livable wage, please visit ALICE: Asset Limited, Income Constrained, Employed-District of Columbia - [United Way NCA 2023 ALICE Reports](#).

# THE RFP Insurance

## Cybersecurity and Crime Insurance Tips

When selecting insurance, ask if the policy includes:

1. *Breach discovery, remediation, and mitigation.* It costs money to clean up a breach and setup products and processes to mitigate it in the future.
2. *Notifications.* Depending on the breach, the company may be required to notify any entities whose information may have been leaked about the breach. This notification can add up quickly even if it's just a mailer and stamps.
3. *Lawsuits.* Now that you have notified a group of people you breached their data, your policy should cover any lawsuits that result from said notifications.
4. *Policy compliance requirements.*
  - Annual audit requirement
  - Self-audit or will the provider send in a team
  - Cybersecurity training

# Phishing

## Definition

The fraudulent practice of sending emails purporting to be from reputable source in order to manipulate individuals to reveal valuable information, such as passwords and credit card numbers. More specifically, **email spoofing** is the forgery of the email header to resemble a reputable source and is often used in phishing attempts.

**Spear Phishing** is a more focused version of phishing that focuses solely on an individual or group of individuals.

# ✕ Brute Force

## Definition

A brute-force attack consists of an attacker submitting many passwords with the hope of eventually guessing correctly. The attacker systematically checks all possible passwords and passphrases until the correct one is found.

## What you can do

- Make a strong password
- Change your password often
- Same password + multiple accounts = bad
- Multifactor Authentication
- Password Manager ( LastPass... )

### Connect via an invite from TWH

When TWH schedules a payment to you, you will receive an option to setup a subscription-free Basic Receivables account

1. In the invite email, select **Accept Invitation**
2. Enter your mobile number for Multi-Factor Authentication (MFA) and select **Send code**.
  - This is the number where you'll receive a code to verify your identity when you log in, add a bank, or add user
3. Enter the six-digit code sent to you and select **Submit**
4. Select your account type
5. Enter your company information
  - In some cases, the Company Name you are trying to enter may already exist, please contact Customer Support
6. Add bank account information where you'd like to receive your payments

Once verified, TWH will be notified that you're connected, and that your subscription-free Basic Receivables account is ready to use.

### What if I already have an account?

The system will detect if the invite was sent to the same email address you use to log into your account. After selecting *Accept Invitation*, you'll need to sign into your existing account, select your existing account and you'll instantly be connected.

If the invite was sent to a different email address from the one you used to log into your existing BILL account, you can connect using one of these methods:

- **Ask TWH to resend the invite** to the email address you use to log into BILL
- **Provide your Payment Network ID**, to instantly connect to you by entering it in manually

## Prior to payment .....

Before processing your payment, we will schedule a brief Teams meeting to allow you to verify and confirm your banking information.

This practice helps prevent errors, fraud and gives you the opportunity to review and correct any discrepancies in your banking details before payment is processed.

THANK YOU
